"Every new beginning comes from some other beginning's end."

Charles Mazzola

Closing Time

June 2004, will mark the closing not only of 1051 Commercial Street as a high school, but also of the noteworthy career of Mr. Charles Mazzola. Mr. Mazzola has served the students of Weymouth as a teacher, Director of the Vocational Technical School, and most recently as the Director of Career and Educational Technology/Vocational Education.

Mr. Mazzola was born and brought up in Revere, and he graduated from Everett Vocational High School, where he studied sheet metal. After working in the trade for eight years, Mr. Mazzola decided to further his education at Fitchburg State College, and in 1977 he graduated *cum laude* with a Bachelor of Science degree in Education. He received his Master of Education degree in 1987, also from Fitchburg State.

Mr. Mazzola has always been devoted to the students of Weymouth High School, especially the vocational school students, to many of whom he has served as a tireless mentor. He has always enjoyed attending extracurricular activities, particularly plays and choral performances, and he has often been seen working the chains at football games. Mr. Mazzola believes in showing students that he supports their interests.

As for his own interests, Mr. Mazzola enjoys golf, fishing, boating, painting, and especially drag racing, a sport in which he has won many trophies. He loves football above all spectator sports, and he would never miss a Patriots' game. In retirement, Mr. Mazzola will have more time to enjoy not only his hobbies but also his family. He has been married to his wife Joanne for thirty-four years, and he is the proud father of two grown daughters.

For all that he has done for Weymouth High School, the Class of 2004 gratefully dedicates this yearbook to Mr. Charles Mazzola. We send him our best wishes for a long and happy retirement.

2004
Senior Class Officers

Thomas Flanagan, President; **Stacey McGuire**, Vice President; **Sarah Lewis**, Secretary; **Ronald Ricciarelli**, Treasurer

To The Class of 2004:

I'm confident that I'm not the first, and I'm sure that I won't be the last, but I'd like to take this opportunity to congratulate you all for successfully taking one of the biggest steps of your lives - graduating from high school. Wherever we go from here, no matter how near or far, we'll always have our memories of Weymouth High and the great times that we enjoyed here. From the highlights like the dances, the drama productions, and the big games, to the daily scenes of lunch, the gym after school, and the hallways between classes, these experiences have helped shape our lives over the past four years. Although we will change as the years wear on, and we may become totally new and different people, we can never forget the people that we were during these precious years and the friendships and laughter we lived out every day. Don't remember being late for homeroom; remember how hard you laughed while you and your friends sprinted from the parking lot to try to be on time. Don't remember the test you bombed; remember the jokes you made with your friends at lunch that day, since they bombed it, too. Focus on the good, not the bad, the triumphs, not the heartbreaks, and you'll always look back on your days at Weymouth High with a chuckle, and probably wish you could go back. It's been a pleasure growing up with all of you. I don't want to say good-bye, so I'll say see you later.

Sincerely,
Your president,
Tom Flanagan

Marching Band and Color Guard

Pride, integrity, excellence, and spirit permeated the season as the Weymouth High School Band brought home three gold medals throughout the year, including a gold medal at the New England Scholastic Band Association Finals. While the band competed with some of the best bands from throughout New England, the individual members also competed with themselves to improve physically and mentally. Throughout the season, they developed their musical and marching skills and their stamina. Achieving milestone after milestone, the band has made a name for itself in the community and throughout the state.

In addition, the Color Guard had its best season ever. Along with achieving perfect attendance at all practices and performances, they received a very high score in competition. A wonderful staff and instructor, new skills, and new uniforms all helped highlight the talents of the very dedicated young women.

This year's seniors included: Chris Chin, Danielle Doherty, Stephanie Dunn, Band President Lilla Frazier, Color Guard Captain Stephanie Fricker, Christine Garvey, Drum Major Mike Keough, Heather Mattoon, Kim Nigro, and Alan Rogers. They were not just outstanding leaders; they continued the tradition of excellence in the Weymouth High School Marching Band and Color Guard. Their hard work and dedication have made the band program one of the best in New England.

It is hoped that the Concert Choir will travel to Philadelphia in the spring to participate in a music festival. Finally, the senior members of the choir will sing at graduation in June. When reflecting upon the 2003 football season, there are many sentiments that might be expressed. No doubt it was a season of high hopes and expectations, but more significantly, it was a year in which the spirit and attitude of the team were tested. The squad was faced with a series of early injuries that hindered the ability of some of the athletes to compete at their peak level, as well as some trying early-season defeats. Though the fabric of the team was put to the test, the leadership of an exceptional, close-knit senior class of student-athletes maintained a focus on teamwork and team pride, allowing the squad to overcome a difficult situation in a manner that became a source of pride to the coaches, as well as to everyone who followed the team throughout the season. This year's Weymouth High School Football Team was the embodiment of what president Theodore Roosevelt was referring to when he wrote, "It is not the critic who counts [...] the credit belongs to the man who is actually in the arena [...] who strives valiantly; who knows great enthusiasms, great devotions; who at the best, knows [...] the triumph of high achievements, and who [...] if he fails, at least fails while daring greatly." This was a team that played every game throughout the season.

Another accomplishment of the 2003 season that deserves mention is that, with the opening of a new athletic facility planned for next fall, this was the last season that football games were played at Legion Field. Aware of the significance of playing in what could be the "last football game at Legion Field," the Wildcats defeated Framingham by a score of 35 to 12, bringing to an end 68 years of football at Legion Field.

The Boys' Soccer Team had a 1-2-1 start but lost only one more regular- season ame while winning sixteen, resulting in a 17-4-2 record. They outscored their pponents 61-14 over the course of the season. Sadly, the team lost in penalty icks to Durfee High School in the South Sectionals Semifinals at Brockton High, ut the seniors ended their three-year careers with a record of 54-6-5.

Of fifteen seniors, twelve contributed in the scoring department, while the thers were defenders or goalies. Captains Mark DePari and Kevin Greene led the eam well, and the team chemistry was excellent due to the close ties between the nderclassmen and the seniors. Our Bay State League All-Stars were seniors evin Greene, Mark DePari, and Nick Rusconi. The Second Team All-Stars ncluded Ryan Palingo, Bobby Shoff and Kevin Grammer. Kevin Greene was also elected as an Eastern Mass All-Star. Goalkeeper Mark DePari ended his high chool career with .61 goals against average and compiled 13 shut-outs in his enior year. A good group of seniors is headed off to various colleges where they ill, no doubt, continue to be successful in the game of soccer.

The Girls' Soccer Team had another successful season in the fall of 2003. For six games, the defense of the Wildcats was nearly impenetrable. During this early stretch, the girls outscored their opponents by a count of 15-3. The next five games were not so kind to the team, due to untimely injuries and formidable opponents. Once some of the injured players returned and adjustments were made, the girls prepared for the stretch run. A strong finish, which included six consecutive wins and a tie in the last of game, enabled the team to finish with a record of 12-3-3.

The Boys' Cross Country Team completed another successful season in 2003 by capping off a tenth place finish at the Eastern Mass. Championships. The boys also finished with an impressive 9-2 record in the competitive Bay State League.

Led by League All-Stars JJ Prior and Tim Condon, the team thrived on senior leadership all season. Captains JJ Prior, Mike Clark, and Ricky Mandeville continued to improve, and Brendan Sullivan, Kyle DeMeritt, Alex Crombie, and Dennis Jones provided senior leadership for the young team. A solid group of underclassmen, led by Sean Coleran, Joe Ruvido, and Mark Jordan make the future bright for the boys of Weymouth.

In the fall of 2003, the Girls' Cross Country Team had another successful season. Competing in the strong Bay State Conference, the girls finished the dual meet campaign with a record of 8-4. The team had strong performances at CMI (6th), BSL (4th), the State Coaches Invitational and the Eastern Mass. Division I Championship (8th).

Weymouth was led by Captains Frances Devine, Melisa DeMita, and Kim Tose. Solid contributions were made by seniors Amy Connolly, Sandra Canuto, Sammi Lynch and Dawn Drew. All-Scholastics Becca MacDonald and Nicole Pearce were consistent winners. Sam Sacchetti, Kerry Hanson, and Marisa Pardo all ran well as underclassmen.

Coach Souke will miss his seniors but looks forward to another strong team returning next year.

The Girls' Volleyball Team had quite an exciting year. They overcame many obstacles, the least of which was the loss of the starting setter for the year. After a slow start in the strong Bay StateLeague, their record was 1-5. Needing to go at least 9-5 over the next 14 games in order to qualify for the state tournament, they met and exceeded this goal to finish the season at 11-3.

The team was led by senior captains, Amy Crespi and Vickey Walton. Their leadership and play-making were the main reasons for the team's success. Lauren McGrath, rounding out what Coach Fuller called his "Big Three," played almost every position and finished the season as one of the league's best blockers. Juniors Jess Coyle and Lauren Pasquale played exceptionally well in their first year. Allison Johnston and Angela Castagnozzi were also instrumental in the team's success. Adding help when needed were Nancy Maconochie, Sheila O'Loughlin, Alison Cronin, Katelynn Rourke, and Cassie Carlson.

The team also won the Superior Award, the Leadership Award, and the All-Star Award at UDA Summer Camp. The girls performed crowd-pleasing routines at WHS football, soccer, and basketball games, as well as attending various community events throughout the year. The 2003-2004 Weymouth High School Boys' Basketball Team played one of the most grueling schedules in the state, a schedule that featured games against numerous tournament-bound opponents, as well as the eventual Division 1 and 2 state championship teams. Despite finishing with a disappointing record (2-18), the Wildcats made great strides for the program under first-year coach, Jim Dolan. Led by a hard-working senior class, the team was in a number of close games right down to the final buzzers, including a pair of heartbreaking, back-to-back overtime losses. This team holds the distinction of closing the Commercial Street gymnasium with a great victory over league foe Norwood, and also of being the first boys' team to play in the fantastic new Pleasant Street gymnasium.

The Wildcats experienced individual success as well, with senior Jequan Johnson named a Bay State League All-Star and junior Scott Campbell competing in the All-Star game. Also, a number of seniors are considering continuing their careers at the college level. With a strong core of returning players and an energetic coaching staff, the 2003-2004 Wildcats have set a new tone for Weymouth basketball and laid the foundation for a very successful future.

The Girls' Basketball Team had a very successful season, finishing with an overall record of 14 wins and nine losses. The team had a great win at the end of the season against Walpole, which then went on to win the Division II State Championship. The team was led in scoring by junior Kendall Carlson, and the top rebounders were junior Kathleen Kennerly and senior Colleen Sinewick. Senior Marie Chretien and sophomores Erica Rate and Lindsay Hay handled the ball well and scored some very important points during the regular season, as well as during the tournament. The excellent contributions of seniors Tara Egan and Pasha Crowell; juniors Lauren McGrath, Erica Landsberg, Shannon Monahan, and Jessica Peruzzi; and freshman Vanessa Conners made the season's success a true team effort.

The team qualified for the South Sectional MIAA Tournament with the help of great senior leaders, Colleen Sinewick, Marie Chretien, Pasha Crowell, and Tara Egan. In the tournament, the team won its first two games, one against Boston English and the other against Franklin. The town supported the team at the Pleasant Street gym where the crowd of over 700 witnessed an exciting finish with the Cats beating Franklin 47-44. The team ended its drive for the championship with the South Sectional semi-final game against Dartmouth at Massasoit Community College.

The Girls' Winter Track Team completed a very successful season in the Bay State Conference. Highlights for the team were its second-place finish and 3-2 record in the conference, its best since joining the Bay State League in 1997. Significant wins over Needham, Framingham, and archrival Braintree enhanced the team's season. Individual highlights included Captain Sandra Canuto's MVP year in which she qualified for Class A's in both the 300M and 55M dash, while setting school records in both. Captain Erin Graham, running the 600M, and Captain Frances Devine, running the mile, were also valuable contributors to the team's success in the league. Underclassmen Becca MacDonald, Samantha Sacchetti, Nicole Pearce, and Jillian Fitzgerald gave the girls a state qualifier in every distance event. With a large, dedicated group of young runners, Weymouth's program is truly on the rise.

Coming back from a 1-17-1 record last year and under the direction of a new coach, the Boys' Hockey Team was competitive in the 2003-2004 season, finishing with an overall record of 7-11-2. At the start of the season, speculation was that Weymouth was not going to do well, but everyone definitely underestimated the team. Their goal as the season began was to make the tournament. Even though they came up short, the team still greatly improved its record over that of the previous year. The season was not easy, but the team won the games they needed to when they needed to. In all, the boys played well as a team and supported each other.

Boys' Lacrosse

Murray cradles the ball skillfully.

The Boys' Lacrosse Team will pick up right where they left off after the 2003 season. Weymouth went 13-5 and qualified tenth in the state tournament last year. Although they endured another early exit, the young Wildcats played well. The attack was a powerhouse last season and the Cats are confident in their mature squad of eight returning starters, six of whom are seniors. Back at attack for Weymouth are Matt Murray and Chris Healy. Andrew Keefe, Brian Fredrickson, and Chris Loungo are the three returning defensemen, and Mike Mahoney is at midfield. Now the seasoned unit, which has tasted enough tournament defeat, is hungry for success in 2004.

The newspaper is an organization that has gained much attention over the last two years. The newspaper meets once a week, and no issue can come out without all the different positions working together to give Weymouth High the best newspaper possible. Each staff position is important. Without the staff writing the articles, the copy editors editing every one, and the layout staff giving each issue a great look, there would be no newspaper. The week of layout, the staff can be seen in front of a computer in Room 123 laying out each page. Architectural Design & Drafting/Pre-engineering

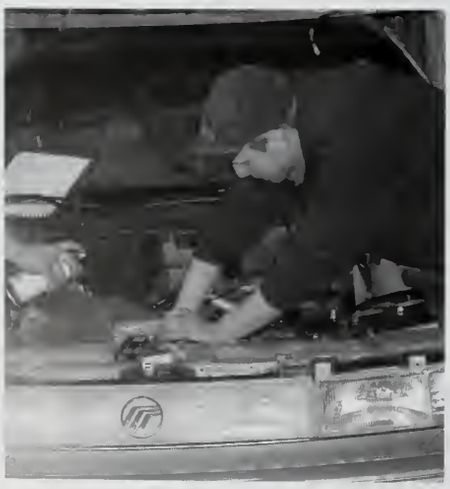
The Architectural Design & Drafting/Pre-engineering Program prepares students for a bachelor's degree in architecture in order to enter the world of residential and commercial design. Using AutoCad, a computer software program used by the architectural community, the students learn the design process from schematic drawings for client presentation through the final construction documents. Students also participate in service projects, both to broaden their skills and to serve the town.

Automotive Technology

Automotive Technology is a program in which students learn how to diagnose and repair the problems in the mechanical and electrical systems of automobiles. They learn the latest procedures on the most current equipment. When their studies are completed, they will have the skills needed for a successful career in the automotive industry.



Child Care

Child Care is a course that helps students prepare for their future roles as parents by teaching the basic skills needed to care for a child properly. Each student is assigned a child and cares for him or her under the supervision of four staff members.

Construction Technology

Construction Technology is a program in which students learn the basics of the building trade with the same machinery found in quality wood shops. Freshmen and sophomores make sheds, cabinets, and small pieces of furniture. Juniors and seniors work on off-site projects. When students have completed Construction Technology I-III, they will have the skills needed to enter either a technical school or the work force. Within 10 years after graduation, 60% of them will be self-employed.

Cosmetology

The cosmetology industry is one of the fastest growing and most exciting career fields in the job market today. Training in the Weymouth Cosmetology Program includes all areas of hair design, hair styling, and skin care. After completing 1,000 hours of successful training and a licensing exam, students qualify to register with the Massachusetts State Board of Cosmetology. In addition, students are required to complete a competency – based vocational education (C.B.V.E.) portfolio, which they begin in their junior year. Specialized post-graduate training in any aspect of cosmetology will afford even greater opportunities to willing and motivated individuals.

Electronics & Computer Technology

The Electronics and Computer Technology Program is designed to prepare students to work as computer-service professionals. Students gain the knowledge and trouble-shooting skills needed to provide support in the field o personal computers. Upon completion of the course, students will have the experience needed to pass the A+ Certification Exam, which is recognized as the industry standard for computer-service technicians. Computer technology components that lead to A+ certification include: installation, configuration, upgrading, diagnosing, troubleshooting, safety and preventive maintenance, motherboard/ processors/memory, printers, portable systems, and networking.

Graphic Arts

The Graphic Arts Program provides printing services for a large portion of the Weymouth Public Schools and for the Town of Weymouth. Students are involved in the complete workflow of every job, from planning, through design and printing, to finishing. Screen-printing T-shirts and sweatshirts is a favorite project of many Graphic Arts students. The Program of Studies catalog is the biggest and most important job of the year. This job entails producing a 96- page catalog with a full four-color process cover. The Graphic Arts industry is fast-paced with many new technologies involving computers and other machinery. Students are exposed to many of these technologies through hands-on production as well as through theory classes.

Sheet Metal / HVAC

The Sheet Metal Program in the vocational school is designed to prepare students for future opportunities in all areas of the trade. In this program, students learn to work with the machinery and equipment that is used in the field. One component of the program, welding, teaches operations such as acetylene burning, heli-arc, and M.I.G. welding. Students also learn about the installation and maintenance of air conditioning systems.

Four years brought change; friendship held us strong when things were shaky, in good times and bad, in laughter and tears, through boyfriends, bad grades, family problems and love [...] our friends showed us that life was worth enjoying with them. We wanted to grow up so quickly. Now, they are the only ones with whom we will remain forever young."

Graduation ceremonies pass in just a few moments, not nearly enough time for us to say,
Only you will be in our hearts and on our minds as we watch you receive your diploma on this very special day.

Deep inside we are most happy for the man that you have become and that you are our son.

Unbound success, happiness, and love are the gifts we hope you always have as you move on your way.

As I took this picture of you climb-ing the stairs of the bus on your first day of kindergarten, the symbolism of the climbing you would do in the next twelve years did not escape me. Your enthusiasm for learning has been stead-fast since, and your smile is still bril-liant! You've never stopped expecting the best in yourself. It showed in your accomplishments in the classroom, on the playing fields, in the work place, but mostly in your compassion for your family and peers. You are very special and have always made us proud.
